FACULTY POSITIONS
Business – Operations/Business Analytics
NYU Shanghai

NYU Shanghai is currently inviting applications for tenure-track or tenured faculty positions in the area of Operations/Business Analytics to start in the Fall Semester of 2024. We welcome candidates at all ranks. We seek candidates who have completed a doctoral degree (or have completed all but dissertation in the case of the Assistant rank) in Operations Management, Operations Research, Management Science, Statistics, or a related field and demonstrate a strong commitment to excellence in scholarly research and teaching. Associate and full professor applicants should have a proven track record of exceptional scholarship in Operations/Business Analytics as well as of institution building and service.

Applications are due no later than **November 15, 2023**. Members of the search committee will be available to meet with prospective applicants during the INFORMS Annual Meeting in Phoenix, AZ, October 15–18, 2023. Prospective applicants who are interested in meeting with the search committee are encouraged to complete their applications by **October 1, 2023**.

To be considered, applicants should submit a *curriculum vitae*, separate statements of research and teaching interests (no more than three pages each), and electronic copies of representative publications. To complete the online process, applicants will be prompted to enter the names and email addresses of three references, who will be contacted to upload their reference letters. Terms of employment at NYU Shanghai are comparable to NYU New York and other U.S. institutions with respect to research funds and compensation, and include housing subsidies and educational subsidies for children. Faculty may in certain cases have the opportunity to spend time at NYU New York and other sites of the NYU Global Network, engaging in both research and teaching.

About NYU Shanghai:

NYU Shanghai is the third degree-granting campus within New York University's Global Network. It is the first higher education joint venture in China authorized to grant degrees that are accredited in the U.S. as well as in China. All teaching is conducted in English. A research university with liberal arts and science at its core, NYU Shanghai resides in one of the world's great cities with a vibrant intellectual community. NYU Shanghai recruits scholars of the highest caliber who are committed to NYU's global vision of transformative teaching and innovative research and who embody the global society in which we live.

NYU's Global Network includes degree-granting campuses in New York, Shanghai, and Abu Dhabi, complemented by fourteen additional academic centers across five continents. Faculty and students may circulate within the network in pursuit of common research interests and cross-cultural, interdisciplinary endeavors, both local and global.
