Tenure-Track Positions at Antai College of Economic and Management, Shanghai Jiao Tong University

Antai College of Economics and Management (ACEM) at Shanghai Jiao Tong University (SJTU) invites applications for tenure-track positions in areas of Management Science, particularly Operations Management, Stochastic Models, Operations Research, Business Statistics, and Analytics. We wish to recruit new faculty members at all levels (Assistant Professor, Associate Professor, and Professor). We offer excellent research support and competitive compensation packages comparable to research schools in China and Asia. We seek applicants with strong research potential, as well as a commitment and dedication to teaching. We enthusiastically invite scholars with an excellent record of research and teaching for senior positions.

All candidates should have a Ph.D. or be recent graduates in a related field. They are expected to have a strong commitment to research and teaching, with evidence of publication potential and the ability to teach in English or Chinese.

SJTU is one of the most prestigious universities in China. After over 100 years of development, ACEM has secured its position as one of the top-tier business schools in China and is the first Chinese business school to be triple-accredited by AMBA, EQUIS, and AACSB. ACEM offers a variety of distinctive programs, including Ph.D., MBA, Executive MBA, Executive Education, Master of Finance, Master of International Business, and Undergraduate in Economics and Management. ACEM is in collaboration with many prominent business schools in Europe, Asia, and the U.S.

Application packages should be submitted through the following link: **http://mis.acem.sjtu.edu.cn/jszp/login.html**. Please fill in the online application form with your specified research fields.

Your application package should include:

■ A cover letter;

■ A CV;

■ Job market paper and samples of publications (if any);

■ A statement of teaching philosophy and research plan;

■ Evidence of teaching performance (if any);
