CUHK Business School is a world-leading business school and a pioneer in business education in Hong Kong. Since its establishment in Hong Kong in 1963, the CUHK Business School has gained world recognition of nurturing business leaders with immense contributions in Asia Pacific.

The CUHK Business School has been offering a comprehensive range of undergraduate and postgraduate programmes (MBA, MSc, EMBA, DBA, MPhil, PhD) with over 4,600 students, as well as executive education. It has one of the most extensive alumni networks in the region, with over 40,000 alumni around the world. It comprises two Schools and four Departments:

Schools

- Accountancy
- Hotel & Tourism Management

Departments

- Decisions, Operations and Technology
(Formerly Decision Sciences and Managerial Economics)
- Finance
- Management
- Marketing

The Department of Decisions, Operations and Technology comprises three research areas: Operations Management, Management Information Systems, and Business Economics. The Department now invites applications for tenure-track faculty positions in the area of Operations Management commencing Fall 2024. Applicants for all professoriate ranks will be considered.

Applicants should have (i) a PhD degree in Operations Management/Operations Research, or other related disciplines (by the time reporting for duty); (ii) high competence in research and demonstrated research interest in, but not limited to, business analytics, revenue management, service operations, supply chain management, and (iii) strong commitment to teaching and services. The appointee will teach undergraduate and postgraduate courses offered by the Department. Appointment will normally be made on a contract basis for up to three years initially, which, subject to performance and mutual agreement, may lead to a longer-term appointment or substantiation. Senior applicants should have an outstanding track record of research and teaching accomplishments.

Please submit your application package [a letter of interest, full resume and recent teaching-related information such as teaching evaluations] via the CUHK career site. And at least three confidential reference letters should be sent directly to Chairman, Department of Decisions, Operations and Technology by the referees via email (mdote@cuhk.edu.hk).

The Department will invite shortlisted candidates for in-person interviews at the INFORMS Annual Meeting (2023). Interested candidates are advised to submit the applications by September 30, 2023 with information of their presentations at INFORMS, if any.

Application Procedure

The University only accepts and considers applications submitted online for the post above. For more information and to apply online, please visit <http://career.cuhk.edu.hk>.
