

Assistant Professor, Operations and Supply Chain Management, Haskayne School of Business, University of Calgary

The Haskayne School of Business at the University of Calgary invites applications for a continuing appointment in Operations and Supply Chain Management at the level of tenure-track Assistant Professor. Applications are encouraged in a related field of Supply Chain Management and Logistics, Healthcare Operations, and Energy Operations. The appointment will commence on **July 1, 2024**, or at a mutually agreeable date.

Candidates must have:

- A completed (or close to be completed) doctorate degree in operations management, supply chain management, operations research, management science, industrial engineering, or another closely related field,
- At least one publication or one submission at a revise & resubmit stage in one of the top journals in the field,
- A demonstrated capability in graduate- or undergraduate-level teaching and willingness to undertake graduate student supervision,
- A demonstrated willingness to provide service to the university and to interact with the business community in operations and supply chain management and business analytics.

The Haskayne School of Business is growing in graduate programs in Business Analytics and Supply Chain Management. The successful candidate is expected to teach in these new programs.

Successful candidates strive to be research leaders in their field of interest. We offer competitive salaries, reduced teaching load, and start-up funding to all new assistant professors to help them start their research and teaching careers. The Haskayne School of Business seeks to recruit and retain a diverse and inclusive workforce that will contribute to the future of business. We are committed to fostering diversity through cultivating an environment where people with a variety of backgrounds, genders, interests, and talents feel welcome and supported. This includes the provision of a formal mentoring program, internal grant review programs that enhance success in research grant applications, pilot funding programs, and other support programs.

Interested individuals are encouraged to apply online via the 'Apply Now' link.

Please be aware that the application process allows for only four attachments. Your four application attachments should be organized to contain the following (which may require you to merge documents, such as publications):

- Cover letter and curriculum vitae, including the name and contact information only of three referees.
- Statement of research interests
- Statement of teaching philosophy
- Statement on equity, diversity, and inclusion
- two papers (working papers are also accepted)

Questions may be addressed to:
Osman Alp, Academic Selection Committee Chair
(email: osman.alp@ucalgary.ca)

Review of applications will begin on October 2, 2023, and continue until the position is filled. Department representatives may conduct preliminary interviews with selected candidates at the INFORMS Annual Meeting in Phoenix, AZ in October 2023. Candidates who would like to be considered for an interview at INFORMS should indicate if and when they will be presenting papers at the conference in their cover letter. Full consideration will also be given to the candidates who cannot attend the conference.

Application Deadline: **October 1, 2023**

About the Haskayne School of Business

Accredited by AACSB International, the Haskayne School of Business is a progressive and innovative business school. Our mission is to create an open, mutually accountable community of students, faculty, and alumni, and to provide rich experiential learning opportunities to our students. With 3,000 full and part-time students currently enrolled in bachelors, masters, PhD and executive education programs, the business school boasts more than 18,000 alumni in 60 countries around the globe.

About the University of Calgary

Located in Canada's most enterprising city, the traditional territory of the peoples of Treaty 7 and Region 3 of the Métis Nation of Alberta, the University of Calgary (UCalgary) is a global and innovative intellectual hub for teaching and learning, research and scholarship, and community engagement. UCalgary ranks fifth among Canada's top research universities in Research Infosource Inc.'s latest Top 50 Research Universities list released on Jan. 25, 2022. [UCalgary is the youngest university to have reached the top five](#). UCalgary has more than 6,500 graduate students and 28,500 undergraduate students, more than 1,800 academic staff (continuing, contingent term or limited term appointment), more than 1,300 sessionals, and more than 3,200 non-academic staff, in 14 Faculties, across five campuses. The vibrant and research-intensive environment at UCalgary is home to 146 research chairs (75 Canada Research Chairs), and more than 50 research institutes and centres. UCalgary has the fastest growth rate in attracting research funding among the 10 largest universities in Canada.

The university's new Framework for Growth establishes principles and focus areas for the

University of Calgary over the coming decade. It will ignite our entrepreneurial spirit to turn challenges into opportunities to improve the world around us. It will help to meet our academic and research ambitions and strengthen our community engagement in one of Canada's most diverse cities, whose exciting future is unfolding rapidly, and where scientific disciplines will play a major role. Built around three big ideas (transdisciplinary scholarship, integration with our community and future-focused program delivery), the Framework will distinguish the university and drive growth.

[About Calgary, Alberta](#)

Calgary has been named one of the world's most livable cities, has been ranked one of the most sustainable cities in the world, and is the third most diverse in Canada. Calgary is a city of leaders - in business, community, philanthropy and volunteerism. Calgarians benefit from a growing number of world-class dining and cultural events and enjoy more days of sunshine per year than any other major Canadian city. Calgary is less than an hour's drive from the majestic Rocky Mountains and boasts the most extensive urban pathway and bikeway network in North America.
